

Feral Fixers

DuPage County Feral Cat Assistance

I'm feral (wild). My mother was feral and so was her mother.
If I am not neutered, I and my descendents can produce
over 12,000 more feral cats within five years.

** Statistics from SPAY.org*

Please help stop the cycle of feral cat over-population by supporting
TNR (Trap, Neuter, and Return) in your community!
