

Feral Fixers

Looking for a healthy & lovable

Cat or Kitten?

We have **MANY** to choose from!

All colors, ages & personalities.

See them all at: <http://feralfixers.org/>

All cats & kittens are in foster homes. They are spayed/neutered, current on vaccinations, microchipped, dewormed, & FeLV/FIV tested.

If you are interested in meeting & possibly adopting one of our kitties, please email:

Feral Fixers is dedicated to the Trap, Neuter & Return (TNR) of feral cats within DuPage county. As part of our mission, we also rescue friendly cats and kittens that have been abandoned outside. We socialize and provide medical care to these kitties in our foster homes, and then make them available for adoption.
