EXPERIENCED MOUSER SEEKING F/T EMPLOYMENT AND LODGING

- Shy and reserved
- Altered, vaccinated and microchipped
- Comfy in warehouse, factory, yard, garden, shop, barn, or storage facility
- Needs daily food, water and shelter
- NO ADOPTION FEES

Prolific hunter seeks full time employment and lodging in a warehouse, factory, yard, garden, shop, barn, or storage facility. Capable and dependable for keeping rodents out of your facility. After brief introductory period, I will be a loyal, non-toxic rodent catcher.

EXPERIENCE & ACCOLADES

Long line of lineage with ancestors on the Mayflower catching mice • Works well in teams • Ensure day-to-day rodent control with typical results of killing 5 rodents per week • Won award for catching the laser pointer in not one, but two different event categories • After one month of service, awarded two hidey boxes and three carpeted wall shelves • Earned in-house privileges for outstanding service and behavior after only two months on the job! • Rewarded with “employee of the month” for my “If I see it, I will kill” attitude!
